GEORGIA TECH SCIENTIST INVITED TO JOIN  
EDITORIAL REVIEW BOARD AS COMPUTER EXPERT

January 26, 1979

For Immediate Release

ATLANTA, GA.....A Georgia Tech scientist, Edith W. Martin, has recently been invited to join the Editorial Review Board of Military Electronics Countermeasures magazine in the capacity of computer science expert. Martin was also asked to write a monthly by-line for the internationally-distributed magazine, and her name will appear in the masthead along with notables such as radar expert Dr. Merrill Skolnik. Circulation of the magazine is 30,000 -- with 7,000 in Washington, D.C., and 6,000 in Europe.

Martin is a leader in computer technology at Tech's Engineering Experiment Station and resides in Dunwoody, Georgia.
